Renovation . . .

The hallowed (hollow?) halls of knowledge.

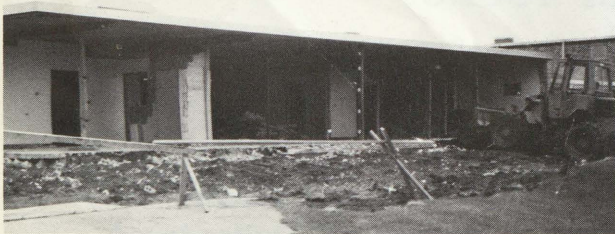

The front of the building during renovation.

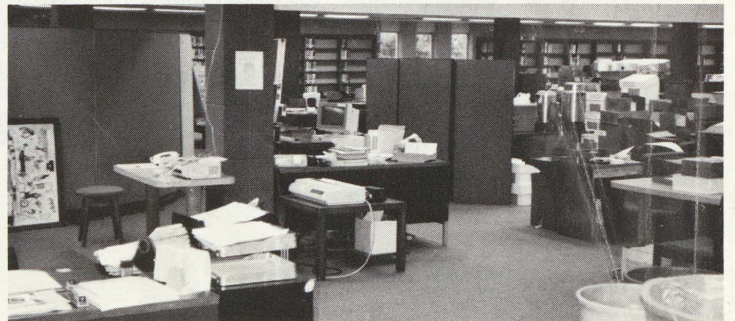

Anybody home???

Who says I

The office in the begining of renovation.

The office in the middle of renovation.

The renovating of the school was a change for the better. The science labs are much more modern and the school has an atmosphere of pride. When the school opened (a day late), not many things were finished. Students had to walk between buildings to get to classes. Construction workers and students had to dodge each other, an inconvenience for all.

A Definite Change

And the walls came a-tumbling down.

can't park here!!?

Finally! The office after renovation.

When it was done, though, it was a relief and a joy to be able to enjoy the new facilities. The school was rededicated on Sunday, March 14, 1993.

Mrs. Goward says to K. Rexius and J. Myczkowiak,

Mrs. Goward - Say Cheese!

Production of a yearbook requires putting together many pieces to create a year's history. The involvement of diverse individuals is necessary. These were the staffers who finished the year as important pieces of the yearbook puzzle: Kristopher Rexius, Editor, Jennifer Myczkowiak, Amy Watia, Amy Baldys, Sarah Stapleton, Jenny Brown, Stephanie Ford, Laura Koester, Catrina Weed, Evelyn DeLoe, Devon McPhee. We would like to thank some very special people who contributed time or effort or ideas or pictures or all of those; Mrs. Mulvaney, Mrs. Stapleton, Mrs. Schultz, Mr. Adams, Mrs. Bugni, Mrs. Gardner, Patrick Muellerweiss, Bev Mueller, Holly Noble, and Jenifer Turner. Without them there would be no '93 Huskie. As adviser I would like to thank my dedicated staff for coming through for me in some very trying circumstances. The month of June proved your mettle, and I owe you more than I can say. Mrs. Goward

ENJOY!!!

In my years at Hemlock Public Schools, I've enjoyed a wealth of experiences. I taught lower elementary, upper elementary, coached basketball in the middle school, coached varsity basketball for eight years, and have been an administrator for the past eighteen years. I've met some wonderful people both young and older and have enough stories to fill a library. I've had good times and bad, but I hope I have influenced a few of the hundreds of kids, teachers, and coaches to experience a better life. I thank everyone for the sharing part of your life with me in some manner. God Bless!

Mr. Rick
"Civilian"

Donelda "Donnie" Gunther retired from teaching in June after 24 years at Hemlock. "I've thought about it since I reached the age for early retirement and decided that this was the time, 'It felt right and natural,' as Huckleberry Finn would say."

Donnie plans to enjoy the good weather gardening, golfing, and her favorite year-round pastime, reading. Fall will be special with son Bruce's wedding to Beth McKenna, another *Bay City Times* employee. Son Rick and family will come from California for the event. After that it will be time to make serious retirement plans. "I won't forget Hemlock High, though. I'll miss my fellow staff members, and I won't forget the many caring, productive students that I met while there."

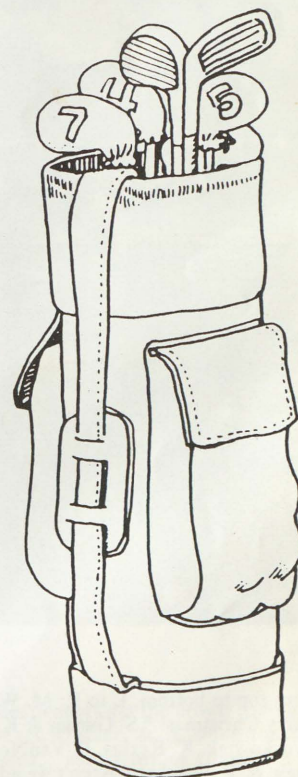

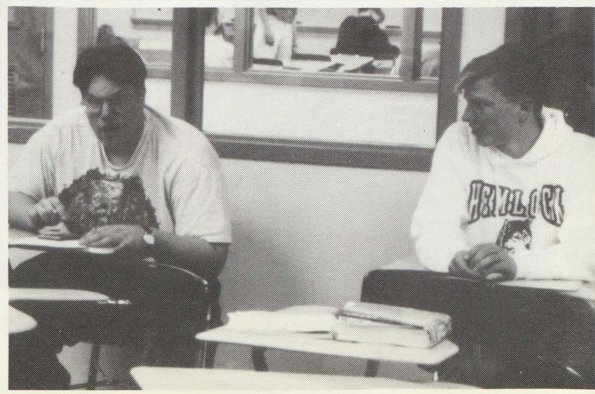

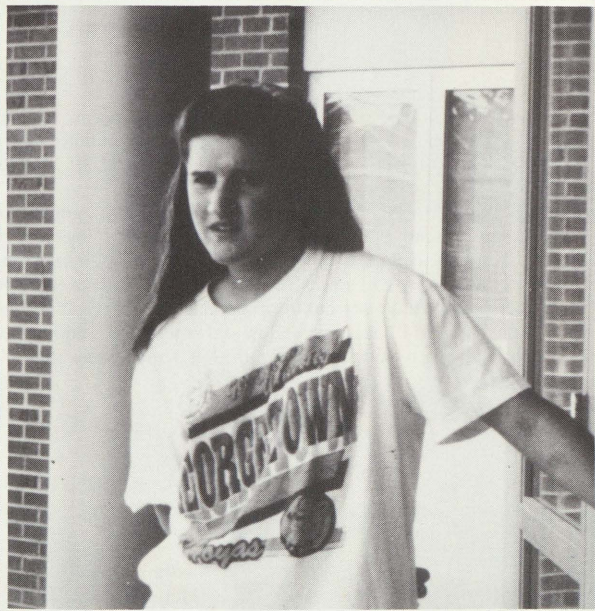

I taught twenty-five years in eight different schools, eighteen years in Hemlock. My advice to students is: Remember, you are unique and special, there is no one else exactly like you! Remember the three sentences I taught you in Health class. When you're brushing your teeth each morning say to yourself these three sentences:

I LIKE ME!
I CARE FOR ME!
I LOVE ME!

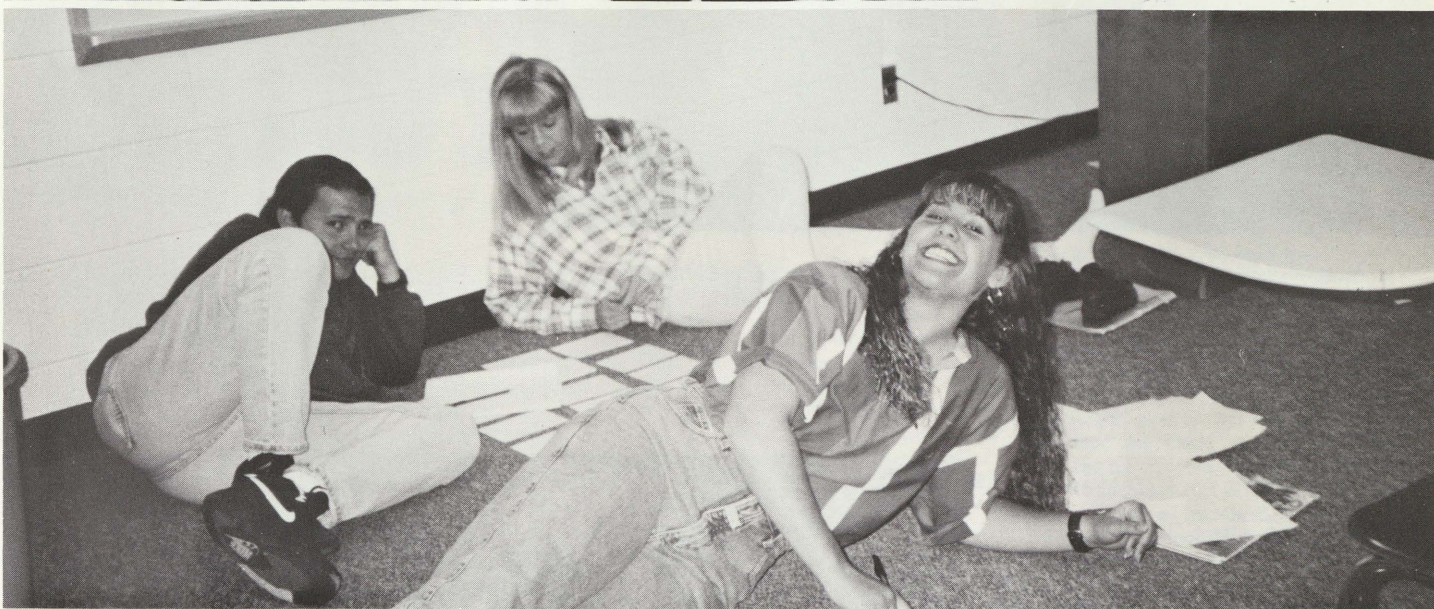

Also, remember to do what's in your best interest - think long term! Remember the broken record in assertiveness skills, NO! NO! NO! to drugs.

The time I spent in Hemlock has been special in many ways. Mostly I'd like to say thanks to Mr. and Mrs. Kienitz. There could have been no place better to stay than with them. They were with me at every game, no matter if it was football or basketball, except one. That was the game when I actually finally made my first basket!! I am also very thankful to my teachers and coaches. I'm taking home memories of many of you who became my teammates and then my friends. I will go back to Germany as a "Huskie" and will think of you a lot.

Yours, Phil

Fidel came to Hemlock from Spain. His host family was Richard & Pat Blakeley. As many of you may recall, Fidel's love for the piano was enormous. This talented pianist performed at both the NHS Induction and the Awards Assembly.

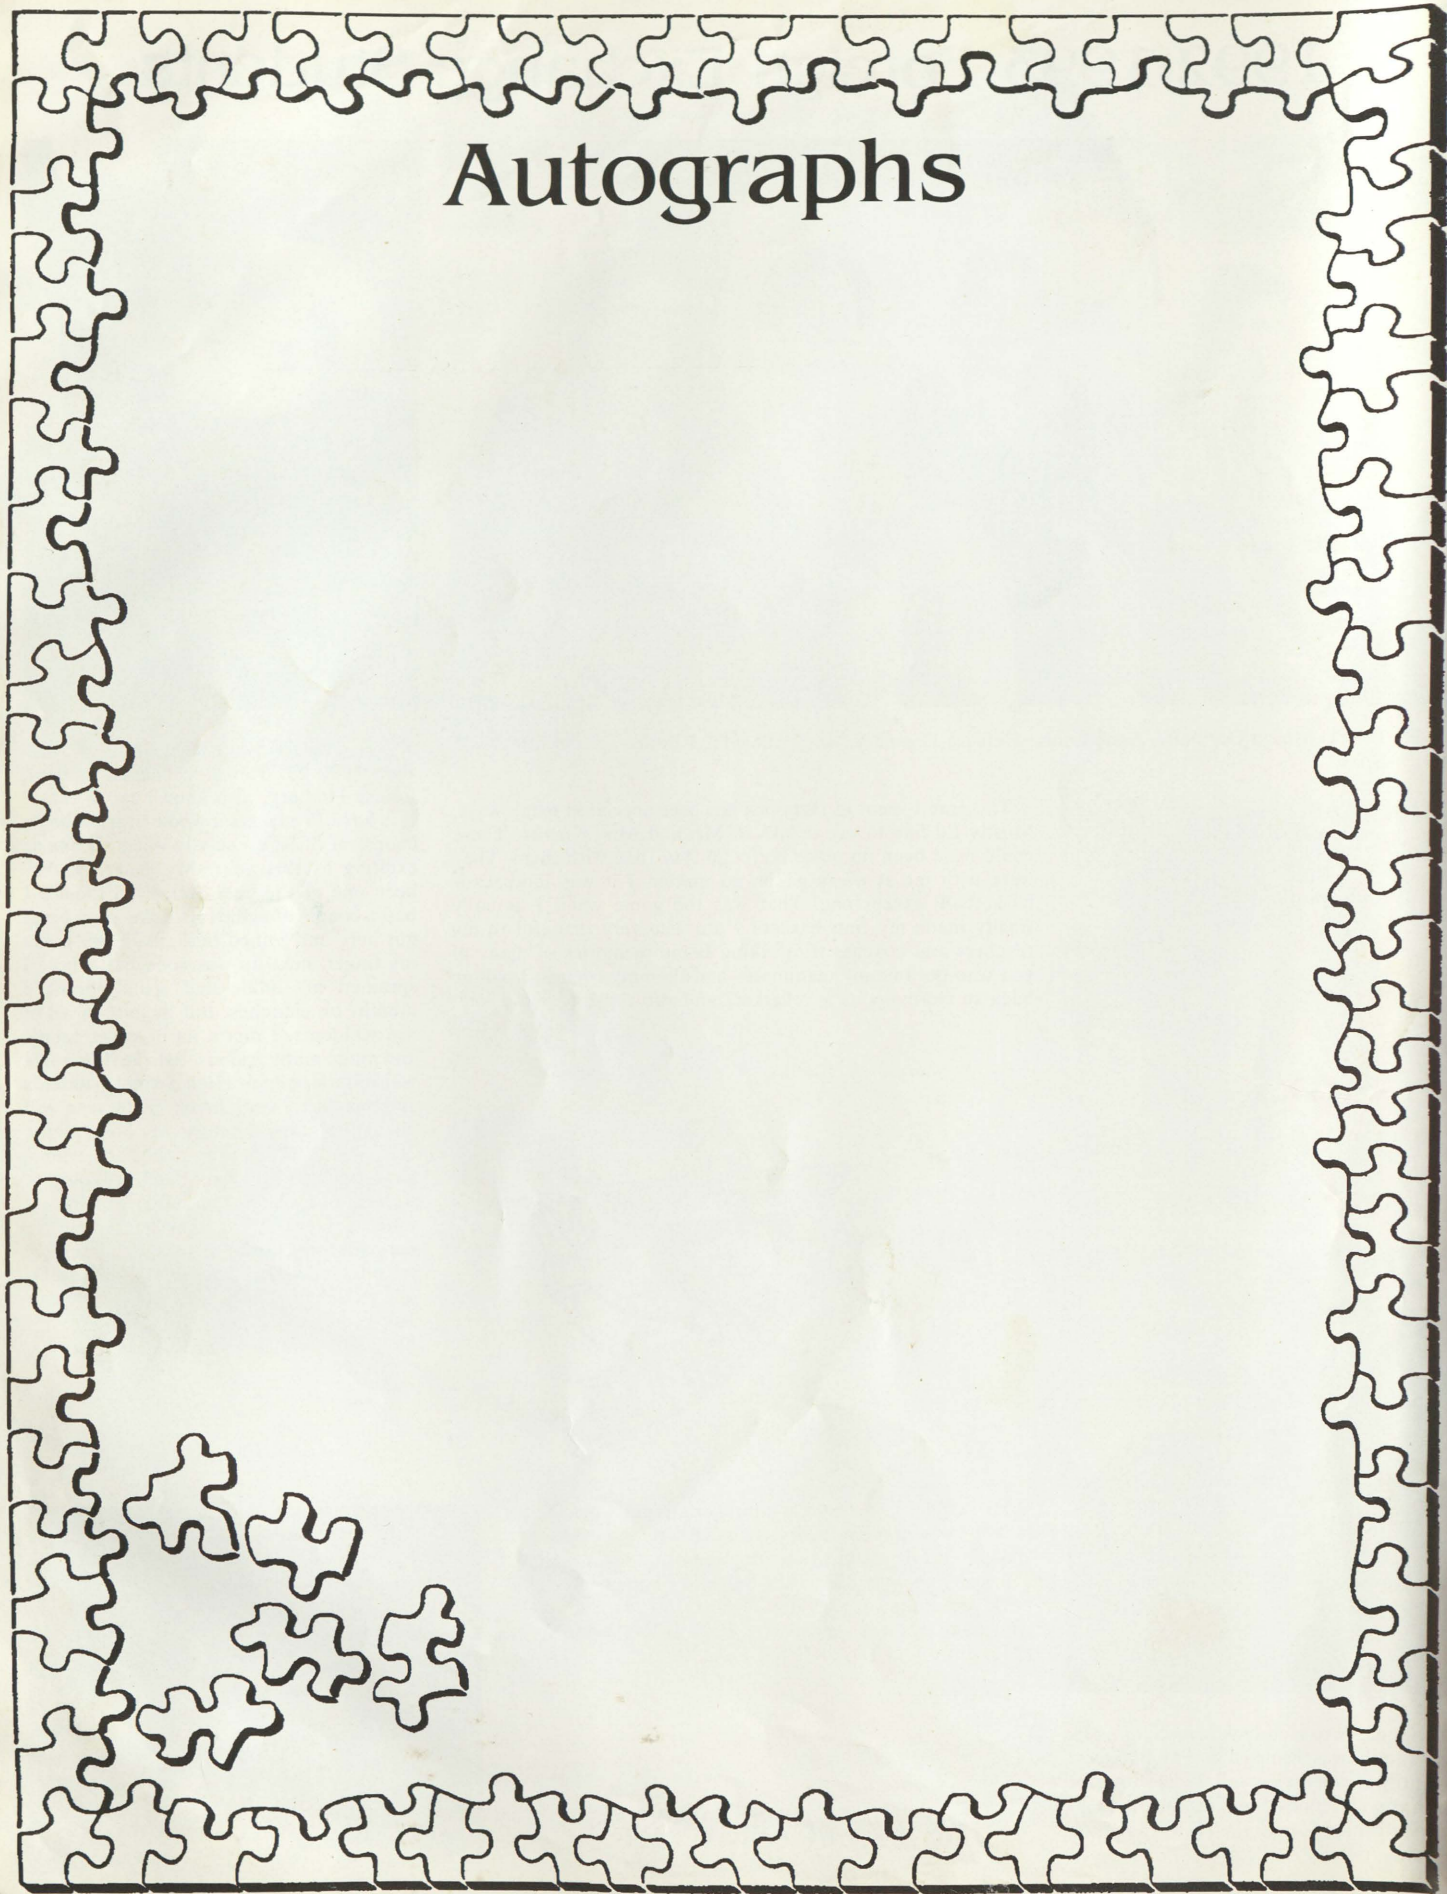

Hi People! I had a great time here in good-old Hemlock! I loved playing varsity volleyball and then I discovered my running abilities joining the track team. I think I'm really going to miss Taco Bell and I hope I can come back sometime soon. A big "Thank you" to everybody who made this stay very special. It really has been a great time, guys! GO HUSKIES!!! Love, Antje

"Hi everybody! Remember me?," the year 1992-93 Danish exchange student, Louise Heiberg, also known as "Weezy." It is hard to express a whole year on just a couple of lines, especially when it's one as exciting as this year. My year here has been one of the best ever, even though I had a couple of accidents. Like when I just got here and joined basketball and broke my finger, next up was volleyball where I sprained my ankle and spent almost 3 months on crutches. But in spite of all of my accidents, I met a lot of sweet people and made many friends. Believe it or not, I will miss Hemlock High School (students and teachers) very much. This year will always be in my memory. My host family, Jeff, Jean & Jennifer Schlicker, who I have come to love very much, is going to be hard to leave. I want to thank them very much for everything they have done for me. Also a special thanks to all of my friends, teachers, Class of '93, and everyone who made this year as memorable as it has been. I will never forget the year I have had here in Hemlock.

Class officers: President: Heather Pruitt, Vice President: Lisa Hill, Secretary: Tracey Siler, Treasurer: Melissa Wazny

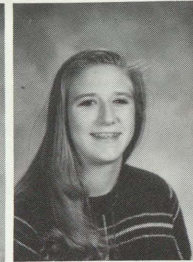

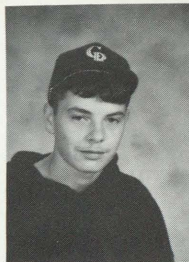

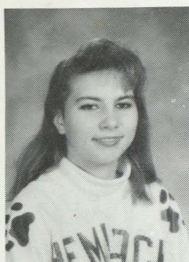

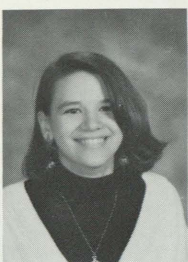

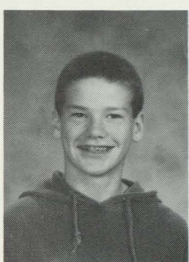

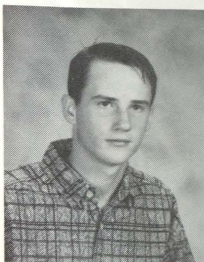

L. Hill gets into the groove of volleyball.

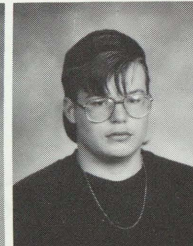

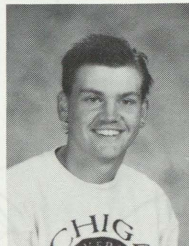

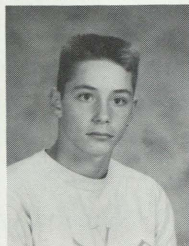

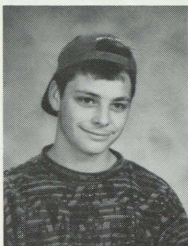

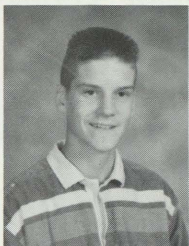

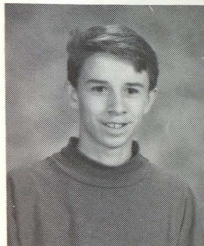

This year's Freshmen class ran into more confusion than usual. At the start of the year, after dodging construction workers and avoiding all the noises, we could finally find our classes. After we adjusted, there was homecoming. We did our best for the theme "Holidays," and our work paid off. We won first place! The reps for the class of 1996 were Nate Crossett and Lisa Hill. The first fundraiser was the Karaoke dance. We would like to thank our class advisors: Sue Newman, Diane Mulvaney, Pat Siler, Diane LaJoice, Sue Allison, and Pat Naples for their help throughout the year.

S. Stoney says "Shwing!!!"

Since there was only one senior on the team the starting lineup of freshmen and sophomores had to play to their fullest. In the regular season conference play the team lost a few very close matches that could have given them a better chance for the conference championship. The team came through at the conference tournament and took first in the West Division. At regionals three shots kept the team from going to state.

This was a rebuilding year for the Volleyball team. With only one senior, seven juniors, and one freshman we were lacking in Varsity experience. The team set and met a lot of goals throughout the season. Improvement was made by everyone. Some of the highlights of the season were beating Saginaw High in one game, winning the consolation bracket of the TVC tournament, and our three hour marathon with Freeland. Big goals have already been set for next year as this should be a banner year for the team. Thanks for an awesome two years and good luck. Becky Justis

They also had their annual food drive and were able to help five families at Christmas and Easter time. In addition to putting on the NHS Induction Ceremony, the annual school awards assembly, and serving as guides for the freshman orientation, individual students volunteered as tutors, worked in hospitals and rest homes, and served as youth counselors. A \$200 scholarship was awarded to Vicki Kissane in recognition for her volunteer hours.

A Final Step

On Sunday, June 6, 1993, Jason Engle opened the graduation ceremony with a prayer for his fellow classmates. Then, Jason (below middle) sang "Pray for Me," which brought attention to the reality of the event taking place. Following, Eric Kreger, Salutatorian, and Jenny Zumer, Valedictorian, (left) spoke words of wisdom about the students' futures. Next, Vicki Beyersdorf (below) sang "Now and Forever," speaking of friendships made in the past and those to be kept for the future. After the presentation of the diplomas by Mr. Boyd Beyersdorf, Mandy Cline (below far left) sang her vocal selection of "I Will Remember You" bringing to mind all the memories that will not be forgotten. Jason Engle closed the graduation ceremony with the Benediction.

Best Wishes to the Class of '93 from the Crossett family
